SCOUTING FOR FOOD

Meet: Both days at Trader Joe's parking lot (old Albertson's)
Corners of Borchard and Reino.

Boys will be dropped off home after each event.

Dress: MUST be in full Class A UNIFORM
Bring a water bottle (it can be thirsty work!)

Activity: Wednesday will be delivering bags and flyers (parents
will be driving boys to our specific areas)

Saturday will be picking up food from the homes we
delivered bags and flyers to (again parents will be driving the boys
and picking up food)

After picking up the food on Saturday we will need to count
it (every item), then take it over to the Manna in T.O. Trucks work
well for this task; last year I believe we used 3. I have one, so if
anyone else would like to volunteer theirs that would be great.

-----Scouting for Food is a Council organized activity that gives the
boys an opportunity to serve their community.

-----By collecting canned and dry food goods we can replenish our
food bank.

-----The boys will earn service hours for this activity, which they
need for advancement.
